- Turnkey offices ready for move-in.
- State-of-the-art LED warehouse lighting. No skylights.
- Clearstory windows on all warehouse walls.
- Solar system dedicated to each suite to power cool warehouse components. Electricity savings to tenant.

- "Cool" warehouse components including insulated foam roof, R-38 roof insulation, 24-foot industrial fans, HVAC units, insulated truck doors and insulated tilt-up walls. The maximum temperature inside the warehouse is below 85° even during the hottest weather.
