FM METRO: WHERE BUSINESS IS BOOMING

ABOUT FARGO:

As North Dakota's largest city, Fargo is the regional economic powerhouse and cultural hub. With its prime location at the intersection of I-29 and I-94, the city is ideally situated with a breadth and depth of industries including healthcare, education, financial services, technology, retail, manufacturing and distribution. With a MSA population of 250k, the Fargo-Moorhead metro continues to enjoy an impressive long-term growth rate. With its established reputation as a regional hub of education, medical, technology, distribution and more, the area is well positioned for continued growth and vibrancy for decades to come.

Higher education is a major force for the metro area with two public universities (NDSU and MSUM), a private college (Concordia College) and several technical and vocational schools with a combined student population exceeding 28,000. In addition, the city boasts two regional hospitals (one built in 2017 at a cost of \$500M), the primary facilities for two regional clinics, and numerous small medical and surgical clinics. Technology is also a significant driver of the local economy, with Fargo laying claim to Microsoft's 2nd largest field campus along with growing tech firms such as Bushel, Wex Health, and John Deere Electronic Solutions.
