PROPERTY OVERVIEW

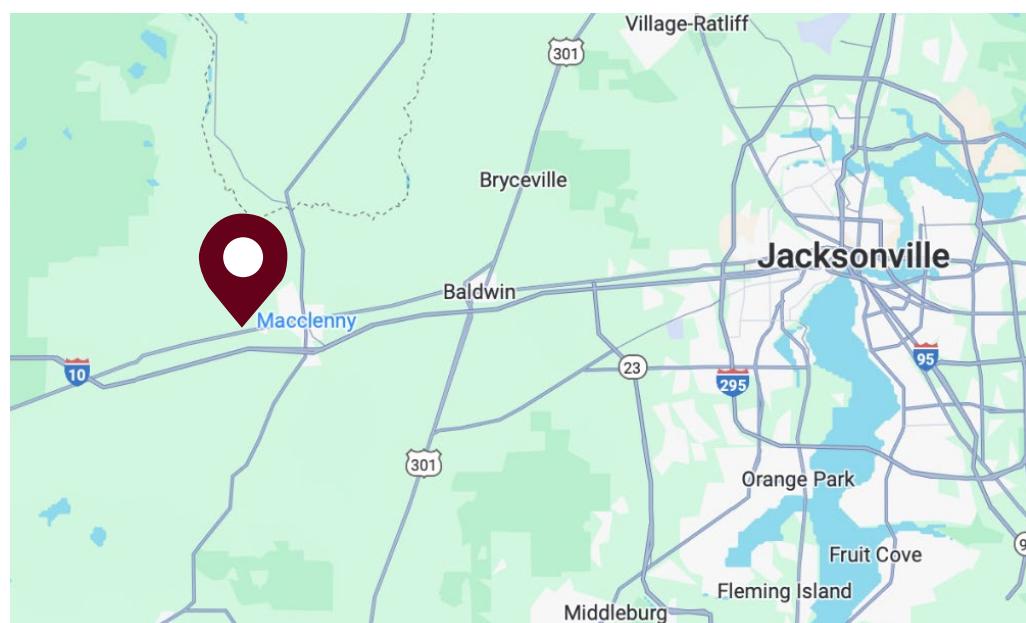

Located directly off US Highway 90 in Glen St. Mary, this **1.01± acre vacant commercial parcel** offers excellent visibility, easy access, and strong surrounding traffic drivers. Positioned in front of **Hagan's Ace Hardware** and adjacent to **Dairy Queen**, the site benefits from established retail synergy and consistent daily consumer activity.

The property is less than **½ mile from Baker County High School**, providing steady traffic from students, faculty, and local families. Situated within a growing commercial corridor serving Glen St. Mary and the greater Baker County area, this site is well-suited for a wide range of commercial development opportunities.

Zoned **Vacant Commercial (FLU 1000)** and fully entitled for all commercial uses, the level and usable acreage allows for efficient site planning. Ideal for **retail, quick-service restaurants, medical, or service-oriented users**, this property presents a rare opportunity to secure a highly visible commercial outparcel in a supply-constrained market.
