What are Coins and how are they used?

Our member coins are "virtual coins" that can be used to book a space within our building. Coins are only available for our Co-Warehousing, Office, Co-Working and Virtual Office B memberships. Coins can be used to book our Photo Studio, Conference Room, Training Room, and Event Space.

Coin Amount for Members:

Conference Room = 20 | Training Room = 50 | Photo Studio = 12.5 | Event Space = 100

Coin Amount for Non-Members:

Conference Room = 40 | Training Room = 100 | Photo Studio = 25 | Event Space = 200

Ex. If a member wants to rent out our conference room, they could rent it out for \$20 per hour or use 20 coins per hour.
