RARE CLASS A OFFICE BUILDING IN THRIVING CARLSBAD, CA

- High quality office building providing an owner-user or investor with an opportunity to acquire a Class A office building within North San Diego's prestigious Carlsbad Research Center – North County's highest concentration of Fortune 500 Companies.
- With the first floor 74% leased (only two small vacancies), the building offers an owner/user the ability to occupy the top two floors and receive income from the existing ground floor tenants. Given the new tax legislation passed July 2025, a buyer would not have any **occupancy cost in the first year given the estimated depreciation benefits providing an approximate \$42,931 monthly tax savings** or loss carry forward. See own vs. lease analysis on P. 33.
- The property offers **4.0/1,000 SF** parking ratio and **recent upgrades include approximately \$800,000** on first floor lobby, corridor, and restroom updates.
- The buildings Class A stone exterior and unique shape are timeless and provide exceptional curb appeal. For buyers looking to create a different "creative office" look, please see pages 10-11 for hypothetical renderings.
