# Property Profile

The three-story LMH Health West medical office building was built in 2020. The Class A facility houses multiple medical specialties under one roof serving Douglas County and the surrounding communities' healthcare needs. The interior space includes high-end finishes throughout the lobby and common areas with three public entrances, abundant parking, and excellent access to I-70 and K-10.

# Location

**Russ Johnson, LMH Health President and Chief Executive Officer**

*"Since its opening, LMH Health West has proven not only to be a beautiful healthcare center, but also an incredibly convenient location expanding services to patients in Douglas County and the region. We have found this location to provide easy access for our patients and families coming to us from all directions. Our prediction that this would be a vital and growing location in 2018 has proved to be true and we're excited to see the expansion of the SLT and further developments for housing and commercial use close by."*
