

8405 McKinley Ave

Los Angeles, CA 90001

Home Features:

- Remolded Duplex
- Two Spacious Bedrooms
- Two Full Bathrooms
- Modern Upgrade
- New Plumbing System
- Updated Electrical System

Perfect for large families or the savvy buyer looking for rental potential, this stunning remodeled duplex features two spacious bedrooms and two full bathrooms in each unit. From the moment you walk in, you'll notice the quality craftsmanship and modern upgrades throughout, including all-new PEX plumbing and a completely updated electrical system. The bright, open kitchen showcases sleek quartz countertops, and the home is finished with new laminate flooring for a clean, cohesive look. Stay comfortable year-round with central air conditioning and heating, and enjoy the convenience of in-unit washer and electric dryer hookups. And still there's more, a detached garage offering ADU potential for extra income or flexible living space. The only thing this exceptional property is missing is you!
