PROPERTY SUMMARY

This 1,945 SF condo, located in the highly sought-after area of Frisco, TX, is available for both lease and sale. The property is ideally suited for businesses seeking a second-generation office space with a modern and functional layout. With its versatile design, the space could easily be converted to accommodate medical users or other professional services. The condo offers valuable building signage opportunities for visibility and branding. Located just off Lebanon Road, it provides excellent accessibility with close proximity to the Dallas North Tollway (DNT), making it a prime location for commuters and clients alike.
