Introducing the opportunity to acquire the headquarters and industrial campus of one of Birmingham's most well-respected companies, Coca-Cola Bottling Company United. The prominent visibility to Birmingham Shuttlesworth International Airport is well known by frequent travelers. Originally constructed in 1979, the campus includes approximately 350,700 SF of improvements on 39 acres. The main building totals 270,600 SF including a 222,850 SF warehouse connected to 53,750 SF of class A office space (two stories). Other buildings include a 70,200 SF multi-functional shop building with bays on each side. A third building of 3,900 SF provides security and truck access functions. Approximately 700 auto parking spaces are spread around the 39-acre campus.

Coca-Cola Bottling Company United is not going far. The new campus is well under construction just across I-20/59 with an announced capital investment of more than \$300m. The expected availability date of 4600 East Lake Boulevard is Q1 2027.
