## BUILDING AMENITIES

Building amenities include dramatic atrium spaces that provide visitors with an inviting atmosphere and allow light to shine into the offices. The atrium spaces provide a stimulating high-touch environment for employees and enhance visual connection throughout the facility.

If communication is important to your business, the existing auditorium space provides an unsurpassed opportunity for training, meetings, presentations and conferencing.

Surface parking is ample and convenient. Visitors park in a landscaped setting at the front door. Employee parking is distributed around the building in tiers.

## LOCATION

The location of this premier business center takes advantage of beltway convenience. Park 50 Techne Center is located at the interchange of Route 50 and the I-275 beltway. I-275 provides attractive employee access from growing Cincinnati and Northern Kentucky suburbs. Business travel is made easy by avoiding downtown traffic and simple directions: Just take I-275 to the airport. The Greater Cincinnati/Northern Kentucky International Airport is one of Delta's largest hubs. This gives Cincinnati more than its fair share of direct flights to national and international destinations.
