

Step into Jezi's Cafe, a beautifully renovated unique gem that not only boasts deep roots in the community but also tells the story of its past. Jezi's was the original workshop of W.D. Chapman, known for his exquisite wooden lures, clocks, and watches circa 1890. A bronze plaque showcases its historical authenticity, a testament to its significance in the community.

The exterior features a striking partial octagon design, blending historic character with contemporary flair. A standout feature is the 9'x7' triple insulated all-glass garage door that opens to a charming patio. Venture outside to discover an enchanting outdoor space that harmonizes with nature. Enjoy the soothing sounds of a realistic man-made waterfall, while kids explore the play zone. The outdoor area is perfect for entertaining, featuring a pull-down movie screen, cascading multi-level deck seating, an outdoor concrete bar, a cozy covered lounge, and a fire pit for those cooler evenings.

Jezi's is a truly unique venue, ideal for hosting events and celebrations, where history and nature intertwine beautifully. This stunning property is a true masterpiece, with every detail meticulously crafted to create an exceptional experience. No stone has been left unturned, ensuring that both functionality and aesthetics are seamlessly integrated throughout this property. Located a stones throw from a variety of vacation destinations including the breathtaking Adirondacks, the picturesque Thousand Islands, and of course Fort Drum. This really does make the most ideal investment for someone that wants to be in the heart of it all! Contact your agent today for a showing!
