## PROJECT DESCRIPTION

Perry Homes is the redevelopment of the Commodore Perry Homes community in Buffalo's First Ward into a new mixed-income and multi-use neighborhood that is slated to add upwards of 1,000 new households to the neighborhood along with a mix of commercial, community and residential uses. The first phase of the project will delivery 405 units of housing amongst 27 separate buildings including two-midrise buildings along South Park Avenue which include the 4 retail spaces currently available for lease.

## KEY PLAN
