Church Guy (Florida)

eXp CHURCH GUY NETWORK

Drew Hetherington, Commercial Agent at eXp Commercial, is a seasoned professional that brought his 20 years of experience to eXp in 2022. Drew treats his clients like family, giving his undivided attention to each client and project.

An Alumnus, 2005, of the University of Oklahoma graduating with honors from the Price School of Business with a focus on Entrepreneurship and Venture Management, Drew has taken that academic knowledge and applied it in practice in the real world, delivering results for his clients.

Drew is a proud father of his 11 year old son Brooks, their 4 year old rescue dog Carmen Sandiego. They enjoy the great weather of Ocala, FL by spending as much time outside as they can with all that the north central Florida region has to offer. They attend their local church, Meadowbrook Church, where Brooks also goes to school and volunteers his extra time. Drew could not be more amazed with his son, as Brooks is on a path towards ministry as he gives sermons at regional competitions and is a guitar aficionado with a goal of one day playing with the worship team.
