PROPERTY OVERVIEW

Enterprise Design Center is situated in a highly desirable industrially zoned area of Naples. This property includes excellent visibility, accessibility and proximity to major transportation routes. The building features an industrial design, with a spacious floor plan that can accommodate a variety of commercial/industrial activities. It totals 3,350 square feet of flex space, ideal for manufacturing, warehousing, distribution, and numerous other permitted uses under the industrial zoning. The property is equipped with essential facilities such as grade level overhead door, ample parking space for employees and visitors, high ceilings to accommodate large equipment, a nice sized office area, and 3-phase electrical service. The end cap units are ideally positioned for maximum visibility and accessibility, with ingress and egress from both Domestic Ave. and Enterprise Ave.
