## Professional Background

Michael Corsello is a licensed commercial investment and real estate certified specialist (CIREC), who is primarily focused on industrial and retail properties throughout Long Island and the New York tristate market.

Prior to joining NAI Long Island, Michael was President and CEO of Nash Lumber, a building material importer and wholesale distributor. The experience he gained while owning and operating his company for 30+ years gives him a unique understanding of complex commercial real estate transactions and how a company's real estate effects a businesses' bottom line.

Michael's operational expertise provides his clients with an important advantage, whether they are owners, tenants, buyers, or sellers. His keen understanding of each party's business perspective allows for the highest quality representation for those he advises. This results in enhancing his client's business operation and their company's profitability.

Michael's experience owning, developing, and managing his own industrial properties, allows him to combine and leverage his considerable real estate market knowledge with his business experience to deliver the highest outcomes for his clients. Throughout Long Island industrial property owners and investors rely on Michael as a trusted and proven partner. His team includes office and land use specialists, with expertise in commercial office leasing, land acquisition, and development.

In the retail area of Michael's practice, his success with national and regional franchise brands has proven invaluable in navigating the considerable challenges retailers experience when entering the complicated Long Island market. Clients such as Riko's Pizza, Ford's Garage, and Buffalo Wild Wings Express rely on Michael's guidance to identify ideal locations and to successfully negotiate the very best leases terms. When representing retail landlords, he has secured the highest quality tenants who not only leased space but strengthened the property's income and value.

Michael is an avid skier who routinely tackles some of the most challenging mountains throughout the U.S. and Canada. To satisfy his unending curiosity, he enjoys hiking and exploring tough terrain in the US and beyond. He enjoys travelling, especially to northern Norway where his son is at the forefront of the aquaculture industry. When on Long Island, an occasional golf game is always a welcome distraction. A native Long Islander, Michael earned degrees in both business and engineering from Syracuse University and SUNY College of Environmental Science and Forestry.
