

Turnkey Downtown Restaurant Facility

Former Wild Root Café - 276 N 8th St, Boise, ID

THE OPPORTUNITY

This restaurant space offers a premier location in the heart of downtown Boise. Located in one of the most desirable and high-visibility areas of the downtown core, the space benefits from high foot traffic and year-round activity. The restaurant features an open atmosphere with high ceilings and expansive windows on the 8th Street pedestrian walkway. A popular patio provides al fresco dining throughout the spring, summer, and fall. The fully equipped kitchen includes a 12-foot Type 1 hood, hot cooking line, two walk-in units, bar setup, and coffee/espresso station. (See Asset List for complete details.)

THE LOCATION

This location is a rare opportunity to acquire a fully built-out restaurant space. Designed for operational efficiency, the kitchen layout supports high-volume service and includes an employee restroom.

Space Size: +/-2,216 SF
Lease Rate: \$31 PSF, NNN
Lease Term: 3 years

THE STRENGTHS

One of many strengths is being located in Boise's premier restaurant corridor — a destination for both locals and visitors. The area enjoys steady daytime foot traffic and transitions into a vibrant nightlife scene. Events such as Capitol City Market, Alive After Five, and First Thursday consistently draw crowds to the area, providing exposure and customers. The asking price is a fraction of the cost to complete a comparable build-out.

THE IDEAL BUYER

This opportunity is ideal for a restaurateur, chef-owner, or bar operator looking for a turnkey space or a regional brand looking to establish a downtown presence.

THE POSSIBILITIES

With a prime location, established infrastructure, and high visibility, a new owner can transform the space into almost any restaurant or bar concept; from upscale dining to cocktail lounge or café.
