# THE TRILLIUM

6300-6320 Canoga Ave, Woodland Hills, CA 91367

# THE TRILLIUM

## OVERVIEW

The Trillium stands as a modern office property with distinctive twin high-rise towers, offering spectacular views in a campus-like setting in Woodland Hills. Recently enhanced, the property features a newly completed private park adorned with lush landscaping, tranquil water features, fire pits, and abundant seating, creating an inviting outdoor environment for tenants. Conveniently located near the 101 freeway, Ventura Boulevard, and the Metro Orange Line, The Trillium is within walking distance of numerous shopping, dining, fitness, and entertainment destinations.

# WE ARE HERE FOR OUR TENANTS

The results of our annual Customer Satisfaction Survey speak volumes about our commitment of service.

OVERALL SATISFACTION  
**4.40** OUT OF **5 STARS**

**83%** WOULD RECOMMEND  
THEIR BUILDING TO  
OTHER COMPANIES

The management team responds to any issues, communicates effectively and are a pleasure to work with. We are a high maintenance tenant and they have been outstanding.

**- INSURANCE COMPANY**

All of your staff members are very friendly. It is such a pleasure to run into building staff who greet us personally and know us.

**- NON-PROFIT AGENCY**

I'm very happy as a Douglas Emmett tenant for the past 6 years. Management is always friendly, highly responsive and approachable. Grounds and common areas are always impeccable as per the DE standard.

**- INVESTMENT BANKING FIRM**

All maintenance employees are responsive and courteous. Their friendliness and cheerfulness means that every interaction is a pleasure, even if it is simply seeing a person when stepping off the elevator or taking an item to the mailbox.

**- CHARITABLE FOUNDATION**

Everyone on the maintenance staff is awesome! I love running into them in the hallways. They're always kind and smiling and happy to help.

**- EXECUTIVE SEARCH AGENCY**

The Douglas Emmett Engineering and Janitorial staff are excellent. They respond promptly to our requests and are always friendly and courteous.

**- PROPERTY MANAGEMENT COMPANY**

Everyone is so friendly and helpful and my requests are always taken care of very quickly!

**- INVESTMENT BANK**

# YOUR ONE-STOP SHOP

## A FULLY-INTEGRATED VERTICAL IN-HOUSE PLATFORM

Douglas Emmett features best-in-class services for your commercial real estate needs.

### LEASING

Our leasing team has one goal in mind: to match our tenant's space needs within our vast portfolio of Class-A office properties. We offer the widest array of premier office space in the most highly desirable submarkets in Los Angeles and Honolulu.

### SPACE PLANNING

Our custom-tailored approach to space planning produces design solutions that best suit the unique needs of our tenants. Our talented team works in collaboration with our tenants through the interior design process to create innovative spaces that balance efficiency with functionality.

### CONSTRUCTION

Douglas Emmett Builders (DEB) is fully committed to building outstanding workspaces. Our talented team handles everything from facilitating permits to managing the build-out process, ensuring we deliver unparalleled quality with every construction project.

### SERVICE

Douglas Emmett prides itself on customer service. From our on-site security providing a welcoming smile to our helpful and friendly property management staff, we provide unsurpassed service to our tenants.

# WORKPLACE SUSTAINABILITY

Douglas Emmett is committed to reducing energy consumption, increasing operational efficiency and diminishing our carbon footprint through our **Green Recognized Office (GRO)** program.

## Did you know?

Over 89% of Douglas Emmett's office space qualifies for "ENERGY STAR Certification," which means that we are more energy efficient than 75% of the buildings measured in the United States

100% of Douglas Emmett properties save energy through automated energy management systems to access real-time energy usage data. We are committed to reducing our indirect consumption from non-renewable sources by at least 10% by 2029.

Since 2021, the U.S. The Department of Energy (DOE) has included Douglas Emmett in its Better Buildings Low Carbon Pilot program to explore low carbon pathways.

Douglas Emmett has implemented various programs, including low-flow water fixtures, new energy management systems, LED lighting retrofits, recycling, and EV charging stations. These implementations have reduced our electricity usage per square foot by over 38% over the past 12 years.
