AN ILLUMINATING OFFICE EXPERIENCE

Welcome to 1901 L Street. From the moment you arrive at our doorstep, you are surrounded by style and amenities. A two-story lobby that impresses. Walls of floor-to-ceiling glass that flood your workday with light. Offices and collaboration spaces that propel productivity. A state-of-the-art fitness center that motivates. A vibrant penthouse terrace with meeting and conference spaces designed to inspire. And it's all located in an ideal location that eases your commute and enhances your lifestyle. **Clearly, you've arrived.**

1901

A VIBRANT DISTRICT

1901 L Street is located in the heart of DC's Central Business District. The prominent corner of 19th and L streets places tenants in the middle of the action with ample dining, shopping, and transportation options all at their fingertips. In addition to the dining options at the building, there are dozens of restaurants, along with plenty of retailers and other conveniences only steps away.

Plus, the central location creates a less stressful commute with easy access to bike lanes, three Metro stations, and major thoroughfares for drivers arriving from Virginia, Maryland, and Northwest D.C.

NEIGHBORHOOD CONVENIENCES

Sweetgreen, fast casual, and white tablecloth restaurant on ground floor

20+ white tablecloth restaurant options nearby

95+ fast casual eateries within easy walking distance

24+ retailers nearby, including dry cleaners, pharmacies, and other errand-friendly outlets

13 hotels conveniently located nearby for out-of-town clients

A bike lane on L Street that eliminates the need to cross traffic

Located within steps of Farragut West, Farragut North, and Dupont Circle Metro stops

ARCHITECTURE THAT IMPRESSES

The floor-to-ceiling glass walls and unique four-foot bay projections of 1901 L Street provide views up and down 19th and L streets. The corner location set back from its L Street neighbors, allows for more offices with a view. In addition, generous ceiling heights contribute to the building's overall airy atmosphere, while floor plans are flexible and foster both collaboration and confidentiality.

100%

OUTSIDE AIR circulating throughout,
plus sustainable materials used, as
part of LEED Gold Certification

STYLE THAT STANDS OUT

The striking exterior at 1901 L Street sets the stage, but this architectural element is just one of many standout style features. High-end finishes, including Statuario Tucci marble and Silver Oak wood veneer, are used throughout, as well as modern, angular designs in the public spaces, offices, and exclusive rooftop penthouse. The building was also carefully designed for LEED Gold-Certified Status and WELL Building Certification.

STYLE & SUSTAINABLE FEATURES

High-end finishes include Statuario Tucci marble and Flamed Brandy Crag Burlington flooring, Silver Oak wood veneer and polished plaster walls, and bronzed brushed stainless steel elevators

LEED Gold Certification features: New Dedicated Outside Air System (DOAS) HVAC that is recycles energy 30% more efficient than traditional VAV system

WELL Building Certification

Column spacing: 37' x 41' (floors 9–11), 20' x 20' (floors 2–7)

Column-free office space on 12th floor

ARRIVE AND SHINE

First impressions matter. At 1901 L Street, the lobby makes a powerful statement. Located on a bustling corner at 19th and L streets, the architecturally impressive lobby is visible through multi-story glass panes. Once inside, tenants and visitors are greeted

by a light-filled, two-story area and a dedicated arrivals desk that has the feel of a high-end boutique hotel. White marble floors, large glass walls, hand crafted artistic feature wall create a polished, powerful presence. It is a special moment, every day.
