FOR SALE
225 EAST AVENUE
ELYRIA, OH 44035

SALE PRICE: \$4,245,000

PROPERTY OVERVIEW

This ±79,851 SF downtown Elyria property offers a unique opportunity to acquire a versatile and well-maintained facility ideal for warehouse, or light manufacturing use with office. Situated on ±2.64 acres with over 93 parking spaces, it features a functional blend of executive offices, conference rooms, break areas, and warehouse space with 18' - 23' ceiling heights, 2 loading docks, a drive-in door and eight box-truck doors. Designed for flexibility, the building's multiple lobbies, kitchenettes, and ADA-compliant restrooms accommodate single or multi-tenant use, with additional office space on the second floor and more than 20,000 SF of basement storage, including a freight elevator. The current occupant, The Chronicle / Lorain County Printing and Publishing, is interested in leasing back approximately 17,412 SF of office offering investors immediate income potential and long-term stability. Please see pages to follow for additional details about Major Mechanicals, the neighboring Redevelopment Project, and Business Incentive Programs.

This property is located in an OPPORTUNITY ZONE. This program enables investors with capital gains tax liabilities to receive favorable tax treatment for investing in properties within an opportunity zone.

REDEVELOPMENT HIGHLIGHTS

- Prime location – just one block from the transformative Forge 417 redevelopment project
- \$13 million investment bringing new apartments, offices, restaurants, and an Esports hub to downtown Elyria
- Forge 417 Esports Arena to feature tournament play, gaming hub, media center, podcast studios, and innovation suites

225 EAST AVENUE
ELYRIA, OH 44035

SALE PRICE: \$4,245,000

LOCATION OVERVIEW

Located in the heart of downtown Elyria, 225 East Avenue is situated on the corner intersection of East Avenue, Second Street, and East Avenue - 3rd Street. This central location places the property within walking distance of key downtown amenities. Immediate access to I-80/I-90 and strong regional road links reduce transit times to Cleveland, Akron, and Lorain port facilities — a clear advantage for distribution and regional manufacturing. Interstate 90 is approximately 4 miles north of the property and the Ohio Turnpike is approximately 3 miles.

ELYRIA MARKET OVERVIEW

As the county seat of Lorain County and one of Ohio's larger cities, Elyria is poised for growth and economic revitalization. Home to more than 55,000 residents, Elyria combines historic charm, strong infrastructure, and a pro-business climate that attracts major employers.

Strategic Location

Positioned just 20 miles west of Cleveland and six miles from Lake Erie, Elyria offers unparalleled access via major highways, rail, and water routes. The city also boasts natural beauty with 365 acres of parks, scenic waterfalls, and a vibrant downtown centered around Ely Square.

Economic Strength

Elyria is home to many of Lorain County's top 25 employers.

These employers span healthcare, education, manufacturing, government and retail — providing a diverse economic base and strong employment ecosystem in the city.

- BASF
- Comprehensive Health Care of Ohio Inc. (EMH Regional Healthcare System)
- Crane Aerospace & Electronics
- Duraline
- Diamond Products
- Elyria Foundry and Hodge Foundry
- Lorain County Community College
- MIGA Holdings (formerly known as Invacare Corporation)
- Murray Ridge Center
- Parker Hannifin Corporation
- Ridge Tool Company (RIDGID)
- Ross Environmental Services
- University Hospitals Elyria Medical Center

Diverse Neighborhoods & Affordability

With 22 distinct neighborhoods, Elyria offers a mix of historic homes, affordable housing and excellent public schools. Low taxes and a cost-effective living environment enhance its appeal for both residents and businesses.

Education & Workforce Development

Institutions such as Lorain County Community College, nearby Oberlin College and Lorain County Joint Vocational School provide exceptional education and job-training resources — ensuring a pipeline of talent ready to meet the demands of tomorrow's economy.
