PROPERTY OVERVIEW

This 24,751 +/- SF favorable investment opportunity is 81% leased and occupied and is strategically located in the IND-B section, near Lexington's Hartwell Avenue. The building boasts two-floors of multi-tenant flex space serviced by a 4,500 lb capacity passenger/freight elevator, providing flexibility for uses such as office, R&D, lab, biotech, and light manufacturing.

A major advantage of this location is its proximity to a pool of skilled white-collar employees. Within a 3-mile radius, there are approximately 16,053 highly skilled professionals, presenting a powerful workforce for businesses in the area. Notable neighbors include industry giants like Thermo Fisher Scientific, Stoke, Diversified Technologies, Cubic PV, and UCB, which further enhances the property's appeal.

Beyond its excellent location and neighbors, the property is surrounded by conservation land, offering a pleasant environment for employees and visitors.
