# AMERICAS BEST VALUE INN WENDOVER

We are proud to present the 50-room Americas Best Value Inn in Wendover, Utah. The hotel is located directly off of I-80 near the world-renowned Bonneville Salt Flats. The Americas Best Value Inn benefits from its proximity to several major tourist destinations including the Bonneville Speed Races, the several Wendover, Nevada casinos, and the multiple Wendover historical sites.

The hotel is currently being remotely operated by an absentee owner with the help of local staff. While Sontesta is offering to extend a new franchise to a new owner, there are multiple major well known economy brands that would encompass this hotel into their reservation systems. This presents a unique opportunity to explore other brands and compare which financial incentives are available to improve performance at the hotel. An investor can benefit from improving operations with hands on ownership while increasing an already attractive in place cash flow.
