## New flex office space in North OC

The social justice community in North OC has needed a hub... a space for non-profit workers, movement lawyers, and organizers to work on projects, meet with clients, and build community. Our new suite 245 at 2501 E. Chapman is right off the 57 fwy and close to Cal State Fullerton. With plenty of nearby restaurants and coffee, the building has PLENTY of free shaded parking. Fifteen minutes to downtown Santa Ana and courthouses, 7 mins to OC Superior Court North. \*\*This building is accessible. \*\*
