PROPERTY HIGHLIGHTS

DESIRABLE LOCATION FOR HOTEL GROWTH & OPPORTUNITY

A premier investment opportunity in the thriving Seattle Airport hospitality market, the Four Points by Sheraton Seattle Airport South offers immediate income and long-term development potential. This 225-room, 7-story Upper Upscale hotel, built in 2015 and opened in 2016, operates under the globally recognized Marriott International brand as a Four Points franchise.

Strategically located just 11 minutes from Seattle-Tacoma International Airport, the property sits along busy Pacific Highway South, with strong visibility and access to major transportation corridors. The hotel boasts 6,952 SF of flexible meeting space, a fitness center, business center, pool, on-site bar and restaurant, and high-speed internet, catering to both business and leisure travelers.

With the current market showing positive RevPAR growth and high occupancy in the Seattle Airport submarket, this property provides brand stability. The additional included lot opens the door for potential new hospitality, mixed-use, or parking expansion (buyer to verify zoning).

This offering is ideal for investors seeking a stabilized, branded hotel asset with upside potential through future development.
