

Kalaeloa Base Yard Land Available For Lease

91-1077 Enterprise Ave, Kapolei, HI 96707

Property Description

This site offers various lot sizes and configurations available for lease. Most lots currently do not have utilities or water, but this can be negotiated based on rental rates and lease terms. Improvements such as fencing, utilities, and site modifications may be offered depending on the deal structure.

The property is located within the Kalaeloa District, designated as an industrial zone under the 2014 Oahu Island Plan prepared by DHHL. This zoning allows for alternative energy projects, industrial base yards, commercial operations, equipment storage, fleet parking, staging, and select other uses. The surrounding area includes federal, state, and city operations, with ongoing residential, industrial, and commercial development.

The site layout follows a “T” configuration, as shown on the primary map. Final lot divisions will depend on the number of tenants—it may accommodate multiple tenants or one to three larger users.
