¹ Percent population increase since April 1, 2020

Occupation Concentration by Place of Residence for Transportation, Distribution & Logistics (CTE Cluster)

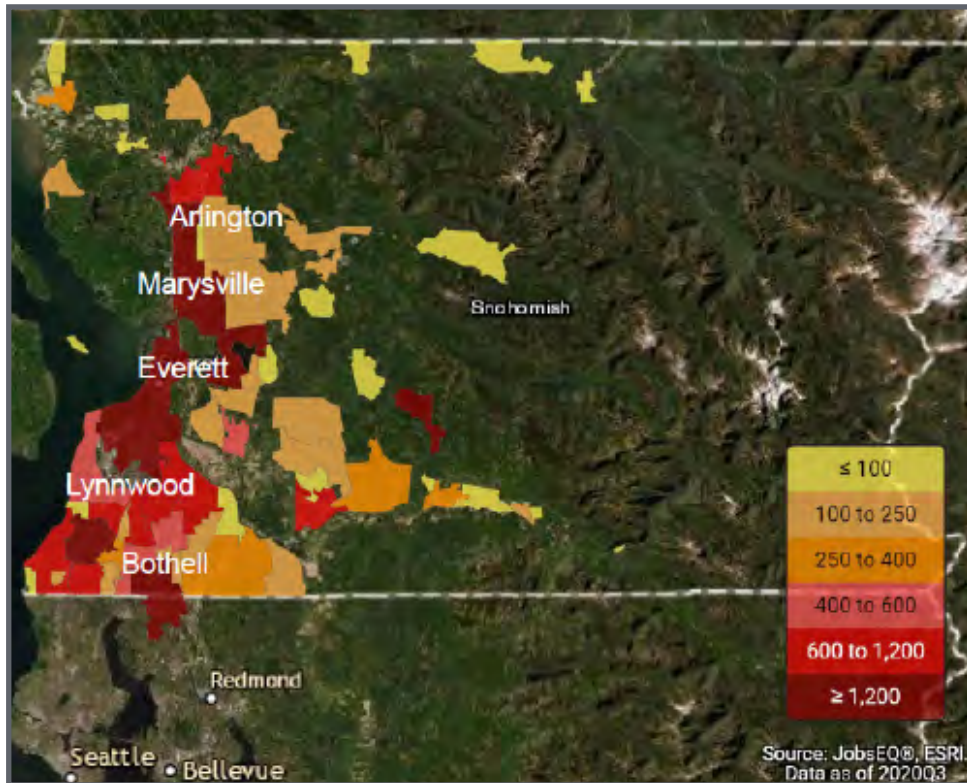

Population Density by Census Tracts

- Darker shades of blue indicate higher population densities.
- Within the six census tracts (outlined in yellow) most closely associated with Panattoni's Northsound project, there is a population >26,000 with an average population density of nearly 4,000 people per square mile.
- Panattoni's Northsound project is located in Census Tract 528.03 (yellow star), which has a population of 6,245.

2020 Census Data for Tracts 528.05, 528.09, 528.03, 528.07, 528.08 and 528.10

Occupation Concentration by Place of Residence for Transportation, Distribution & Logistics (CTE Cluster)

Concentration of Workers

- Darker red areas indicate concentrations of over 1,200 workers in that area.
- In sum, North Everett, Marysville, Arlington, and Lake Stevens account for several thousand workers in the Transportation, Distribution and Logistics CTE.
- Other analysis shows that a majority of these employees are currently commuting south for employment – providing an opportunity to entice them to take jobs closer to home.
