Location Description

Defiance is located on the US-24 corridor as a regional draw between Toledo and Fort Wayne, IN. Defiance is a county seat and economic hub for the six county area. It is home to two major health systems, Promedica and Mercy Health, as well as a four year liberal arts college. It is a unique community with both medical and education workforce.

Defiance is a regional retail center for this area of Northwest Ohio. Several national brands first entered the State of Ohio in Defiance, and several chains had their best first day sales in Defiance. The Northtowne Mall includes Hobby Lobby, Ollies, Marshalls, Dunhams and Family Farm & Home. Both Walmart and Meijer are along US 24 exit, as well as Menards and Lowes. National food chains line North Clinton Street.

Defiance also has a strong manufacturing and entrepreneurial base, with several new companies entering the market. First Quality Paper just announced a new \$945 million project in Defiance on the 1,100 acre mega-site with over 400 new jobs. Other large economic wins include the \$250 million investment of MetalX on a 190 acre campus; Tessenlo Kerley's multi-million dollar liquid fertilizer plant; Decked's new 150,000 SF expansion and the location of Titan Mechanical into Defiance. General Motors, Johns Manville and MEC are the largest employers currently in Defiance.

Together, these points underscore Defiance's position as a thriving center for manufacturing, innovation, and regional growth in northwest Ohio.
