Aerial Perspective

Property Aerial View

Bird's eye view of 1885 Southwest Health Parkway

This aerial perspective showcases the property's strategic location and excellent accessibility features:

- ✓ **Prime Corner Location:** Situated at a high-visibility corner with excellent frontage.
- ✓ **Ample Parking:** Dedicated medical parking with ambulatory drop-off zone.
- ✓ **Landscaped Surroundings:** Professional landscaping enhances the property's curb appeal.

NCH Hospital Proximity

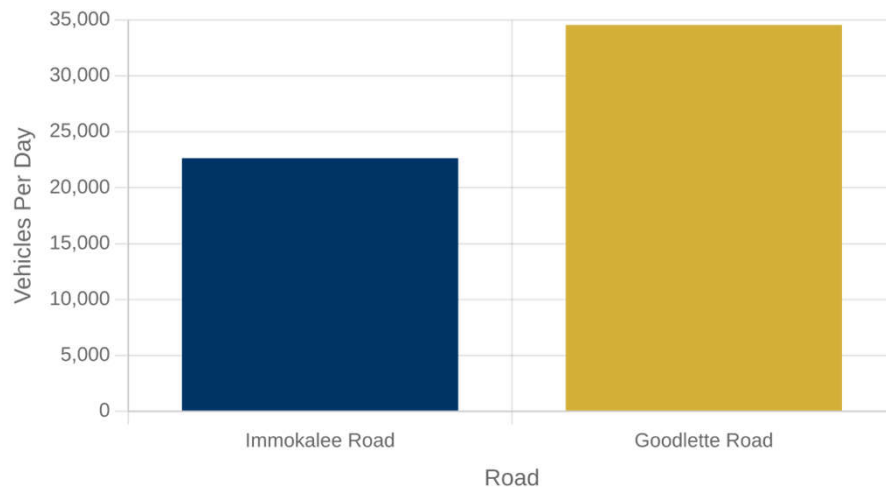

Aerial view of NCH North Naples Hospital

The property's proximity to NCH North Naples Hospital creates exceptional value for medical tenants:

- ✓ **Immediate Hospital Access:** Located directly in front of NCH North Naples Hospital (261 beds).
- ✓ **Medical Ecosystem:** Part of an established healthcare district with complementary services.
- ✓ **Built-in Referral Network:** Proximity to hospital creates natural patient flow and referral opportunities.

Traffic Analysis

Daily Traffic Volume

High Visibility Location

The intersection of Goodlette Road and Immokalee Road is one of North Naples' busiest commercial corridors, providing exceptional visibility and accessibility for medical office tenants.

Combined daily traffic at intersection: **57,930+ vehicles**

Strategic Location Benefits

Direct proximity to NCH North Naples Hospital with 261 beds

Located at the **heart of North Naples' medical district**

Serves **affluent North Naples demographic** with high healthcare utilization

Ample parking with dedicated medical spaces and ambulatory drop-off

Competitive Advantage

The property's location at this high-traffic intersection provides medical tenants with exceptional visibility, accessibility, and proximity to complementary healthcare services, creating a significant competitive advantage in the North Naples market.

Market Fundamentals

Southwest Florida Medical Office Market

3.9%

Vacancy Rate

\$27.46

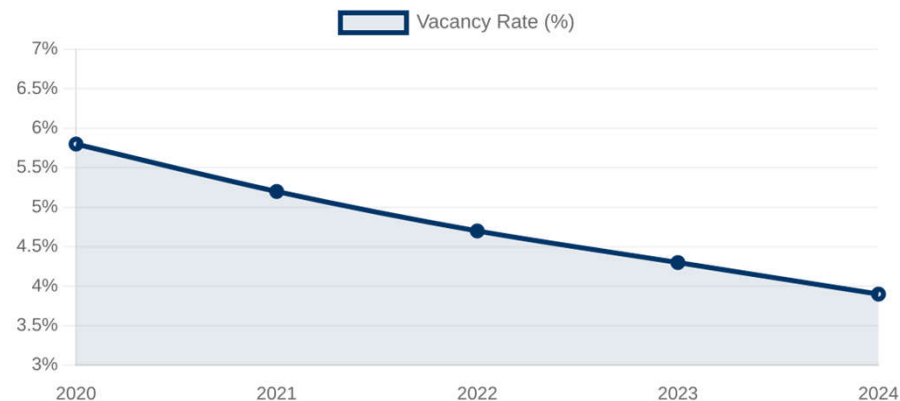

Avg. Rent PSF

61K

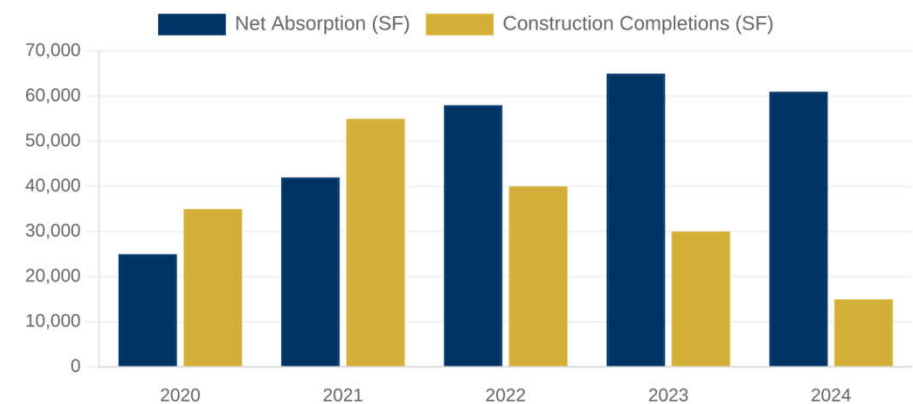

Net Absorption

The medical office market in Southwest Florida continues to experience steady growth, supported by the addition of 1,200 new healthcare jobs in the past year. With the region's significant 65+ population, demand for healthcare services remains strong.

Vacancy Trend Analysis

Space Demand & Deliveries

Market Insights

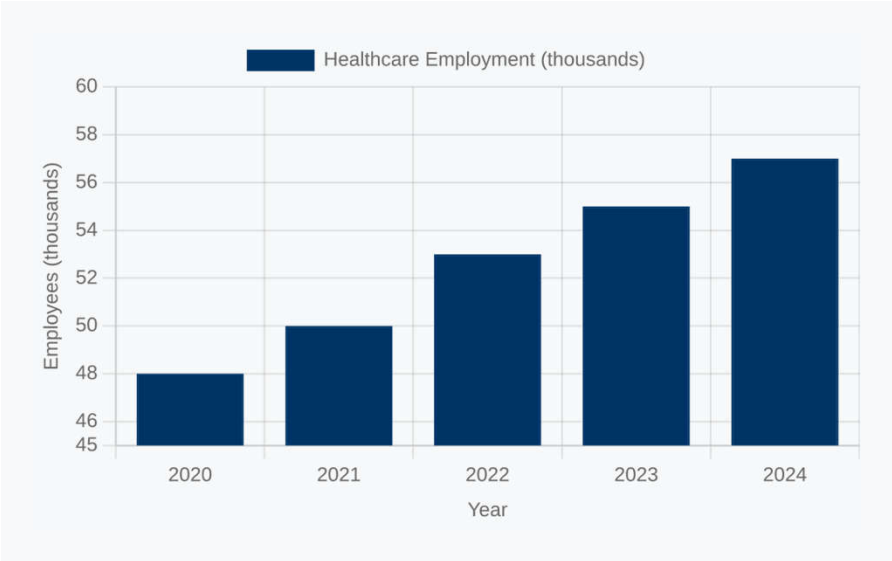

Limited New Supply: With limited new supply in the pipeline, pricing is expected to grow steadily. Gross rent stands at \$27.46 per square foot, marking a 3% quarter-over-quarter increase.

Strong Leasing Activity: Vacancy rates continue to decline, with a 40-basis-point decrease year-over-year and a significant 80-point drop since 2022. This reflects strong leasing activity in the region.

Sustained Demand: Year-to-date leasing activity has reached 365,749 SF, indicating sustained demand despite the limited availability of new space.

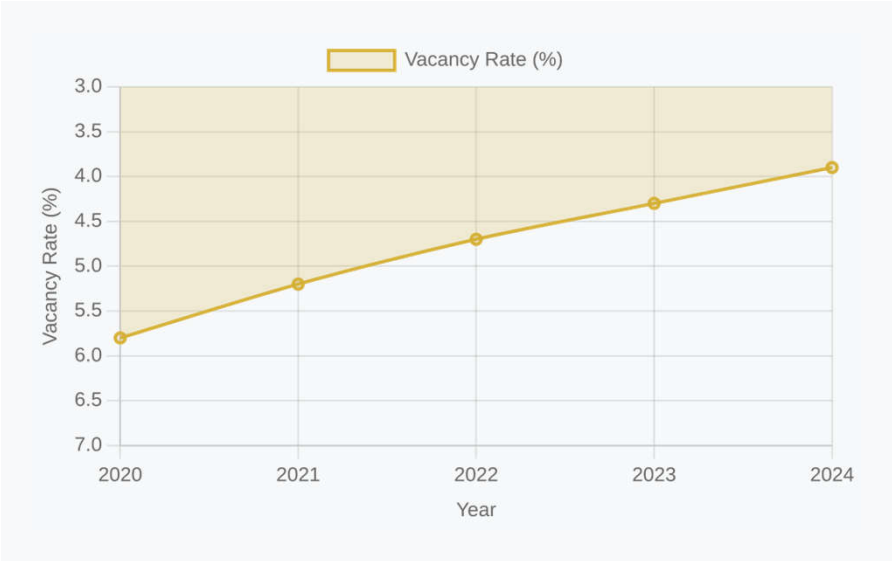

Economic Indicators

Healthcare Employment Growth

Southwest Florida’s healthcare sector continues to experience steady growth, supported by the addition of 1,200 new healthcare jobs in the past year. This growth is driven by the region’s aging population and expanding medical facilities.

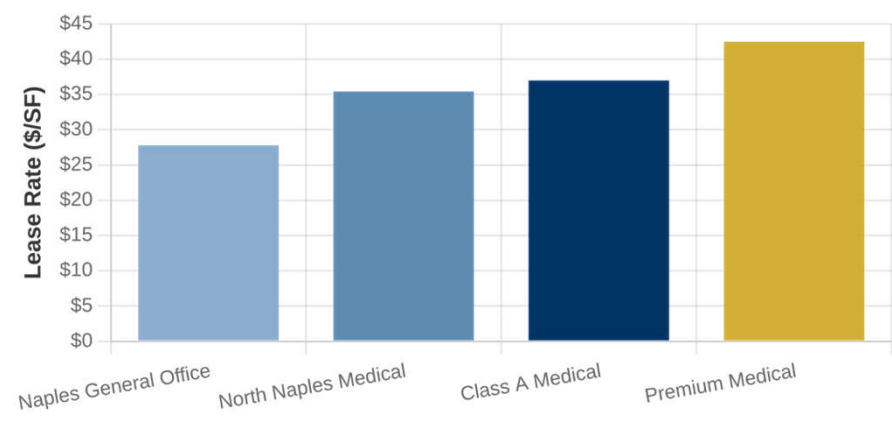

Medical Office Market Trends

The medical office market in Southwest Florida remains strong with a low vacancy rate of 3.9%, reflecting high demand for healthcare services. Asking rents have increased by 16% year-over-year, indicating a robust market for medical office space.

Market Trend Insight

Lease Rate Factors

Value Proposition

Strategic Location Premium

Immediate proximity to NCH North Naples Hospital creates exceptional value through built-in referral networks.

Medical-Ready Infrastructure

Purpose-built medical office with specialized features reduces tenant improvement costs significantly.

Value Proposition

Prime Medical Location

Situated directly in front of NCH North Naples Hospital in the established Health Park medical district, providing immediate access to healthcare hub.

Class A Medical Infrastructure

Purpose-built medical office with specialized features including ambulatory drop-off and medical-grade infrastructure, minimizing tenant improvement costs.

Strong Market Fundamentals

Southwest Florida medical office market maintains a low 3.9% vacancy rate with rising lease rates, indicating strong demand in this growing market.

Growing Patient Base

North Naples features a large and growing 65+ population (416K+), creating sustained demand for medical services in this affluent area.

Superior Accessibility

Excellent visibility and access from major transportation corridors (Immokalee Road and Goodlette Road).

Versatile Space

8,497 sq ft of flexible space suitable for various medical specialties or professional office uses.

Investment Opportunity

This property represents a rare opportunity to secure a high-end medical office in one of Southwest Florida's most desirable healthcare corridors. With strong market fundamentals and prime location, this lease offers exceptional value.
