Advancing
the Built
Environment

**River, Rail, Road – A unique
industrial opportunity!**

Where Sparks Turn to Lightning

Gateway South Industrial Park is the catalyst that turns potential into progress. Located along the Mississippi River in St. Louis, Missouri, this class A development is a purpose-built environment designed to meet the unique demands of the industrial sector.

With access to cutting-edge resources like the immersive materials library, a 50-foot high-bay prototyping lab and a versatile prototyping yard, Gateway South Industrial Park is the future of construction innovation.

PROPERTY HIGHLIGHTS

- Occupiers will benefit from comprehensive incentive package, including federal, Missouri State, City of St. Louis, utility providers, and developer incentives
- Enjoy river views and proximity to Anheuser Busch Stadium, Ballpark Village and Gateway Arch National Park
- Surrounding users include workspaces, prototyping and showcase spaces, F&B retail, and production spaces
- 100-acre downtown masterplan development
- Generating new jobs and fueling economic growth
- Superior logistics via immediate access to river, rail and road transportation
- Benefit from full-time security, an on-site police presence and comprehensive safety measures

Designed for Momentum

Restoring an industrial and trade zone, it offers exceptional logistics capabilities and preserved historic manufacturing buildings, all reimaged for modern industry.

PROPERTY HIGHLIGHTS

- 100 Acre Industrial Redevelopment (Demo and New Build)
- Confluence of three major interstates (I-64, I-55, I-44) and only one mile south of I-70
- Manufacturing, Office/Warehouse, Production, Distribution, High Bay, Flex, R&D, & Outdoor Storage
- Build-to-suit: Class A New Construction
- 2025 Delivery Available
- Flexible Building & Parking Lot sizes, location, & configurations
- 20,000 - 222,500 Square Feet
- Zoning: "K" Unrestricted
*The most unrestrictive and loose zoning in St. Louis allowing most types of uses
- Rail & River Access
- Foreign Trade Zone (FTZ)
- Property Tax Abatement: Up to 90% for 10-years then up to 50% for the next 5-years
- Additional Incentives: Missouri Works, Missouri One Start, Sales Tax Exemption on machinery & equipment, Sales Tax Exemption on Energy, Personal Property Tax Abatement, Ameren Utility Incentives, Construction Materials Sales Tax Exemption, Brownfield Voluntary Clean Up Program, & New Market Tax Credits
- Pricing: Please submit RFP to obtain pricing due to the flexibility in building sizes and layouts
- Outdoor Storage Capabilities
- Direct access to Union Pacific Railroad and TRRA & FTRL switching lines

Gateway South offers a Low Cost Advantage versus all other major metro area due to the convergence of:

- Abundant labor supply
- Limited regulatory constraints
- Transportation savings
- Favorable real estate basis
- Reduced operating expense
- Statutory and discretionary incentive programs

Conceptual Plan

Building sizes, design, location, configurations, & parking lot areas are completely flexible depending on the user requirements.
