MOBILE, ALABAMA

Mobile is the county seat of Mobile County, Alabama. The population within the city limits was 187,041 at the 2020 census. It is the fourth-most-populous city in Alabama, after Huntsville, Birmingham, and Montgomery.

Alabama's only saltwater port, Mobile is located on the Mobile River at the head of Mobile Bay on the north-central Gulf Coast. The Port of Mobile has always played a key role in the economic health of the city, beginning with the settlement as an important trading center between the French colonists and Native Americans.

Considered one of the Gulf Coast's cultural centers, Mobile has several art museums, a symphony orchestra, professional opera, professional ballet company, and a large concentration of historic architecture. Mobile is known for having the oldest organized Carnival or Mardi Gras celebrations in the United States.
