CURRENT ZONING

PARCEL 1

AR - Agricultural Residential

The agricultural-residential district is intended to encourage the continuance of agricultural uses as well as to ensure that residential development of appropriate intensities that are consonant with the suitability of land, availability of public services, accessibility to major activity centers, and transportation systems, and that are compatible with surrounding development, will occur at appropriate density to provide a healthful environment.

PARCELS 2 & 3

CB - Community Business

The community business district is intended to provide for the development of commercial and service centers that serve communities' commercial needs, are accessible by residents from the community and surrounding neighborhoods, and are of such a nature so as to minimize conflicts with surrounding residential areas.

ALL PARCELS

IHI Overlay Districts
