PROPERTY DESCRIPTION

Now offered at \$495,000, this price-improved 4.25-acre development opportunity sits in the historic fishing community of Shell Beach. Owner financing is available, giving qualified buyers added flexibility to move forward.

Positioned along an existing asphalt roadway, the property provides a head start on development. The adjoining canal offers the potential for dredging to enhance waterfront access and increase the value of future homesites.

Previously prepared development plans are available, making this a turnkey opportunity for developers and investors to bring a high-potential waterfront project to life in a growing coastal market.
