# Market Overview

5102 Vineland Avenue  
North Hollywood, CA

North Hollywood has transformed into the San Fernando Valley's go-to cultural hub over the last two decades with an influx of dance studios, art galleries, performance workshops and, more recently, massive mixed-use communities from the likes of J.H. Snyder, Fairfield, Greenland and Trammell Crow housing young, creative-minded professionals from all walks of life. This steady migration of higher income residents has attracted increased urban amenities.

The North Hollywood market is home to many creative industry firms, as well. They're attracted to the proximity to Warner Brothers, Disney and Universal Studios while remaining easily accessible from Hollywood with the 134, 170 and 101 freeways and the Metro Rail stations.

The heavily-amenitized retail corridors and easy access provide appeal to creatives and executives that live in the San Fernando Valley – from Studio City to Calabasas. The nightlife, dining and entertainment scenes attract a talented and eager employee base looking for affordable live-work-play destinations. Talented artists attend Art Institute and other post-secondary education facilities in the area.
