Unmatched Development Opportunity

For Sale

Great Neck, NY 11021

An extremely rare offering — the only available development site on one of Great Neck's busiest, highest-traffic commercial corridors. With unmatched visibility, constant vehicular and pedestrian flow, and immediate access to surrounding retail, dining, and residential neighborhoods, this site represents a once-in-a-generation opportunity. In a market defined by long-term ownership and near-zero vacancy, opportunities of this caliber simply do not come to market. Ideal for investors, developers, or end users seeking a premier footprint in one of Long Island's most supply-constrained and affluent trade areas.

Market Reality:

Great Neck has limited land, high barriers to entry, and relentless demand. Once developed, replacement cost and scarcity support long-term appreciation and downside protection.
