EXECUTIVE SUMMARY

iReal Estate Commercial is excited to offer a 5.34-acre land site for sale, located at 625 Rose Road in Lake Zurich, Illinois, a northwest suburb of Chicago in Lake County. This development opportunity is zoned Industrial I-1 and I-2 and allows for a wide range of permitted uses, including manufacturing, transportation, construction, wholesale trade, agriculture, retail, office, and flex space. Truck parking is allowed with a special use permit and a building on the site. The owners invested nearly \$1 million to develop a pad-ready building site. This prepared site will save buyers significant costs associated with engineering, construction, permits, and, most importantly, time, as it typically takes around one year to create a pad-ready site. Seller financing is available through a short-term loan at a discounted rate.

The site is situated within the Lake Zurich Industrial Park, conveniently located just off Route 22 (Half Day Road/Main Street). This industrial and office park features 100 industrial/flex properties, with overall occupancy exceeding 94%. The area boasts a strong and stable workforce in Lake County, lower property taxes compared to neighboring counties, and close proximity to major interstate highways. Chicago serves as the nation's premier freight rail hub, with major carriers like BNSF, Union Pacific, CSX, and Norfolk Southern.
