# WAUSEON, OHIO

Wauseon, Ohio is a strategically located small city serving as the county seat of Fulton County in northwestern Ohio. With a population of approximately 7,500 residents, the city plays a key role in regional manufacturing, agriculture, and public services. Wauseon offers a balanced business environment supported by solid infrastructure, proximity to major highways, and a strong sense of community.

- **County:** Fulton County (Wauseon is the county seat)
- **Location:** Approximately 30 miles west of Toledo, near the Michigan state line
- **Accessibility:** Direct access via the Ohio Turnpike (I-80/90), U.S. Route 20A, and State Route 108
- **Key Employers:** Wauseon Machine & Manufacturing, Fulton Industries, North Star BlueScope Steel (Nearby in Delta, OH)
- **Sector Highlights:** Metal fabrication, precision tooling, and automotive components
- **Agriculture:** Surrounding areas produce corn, soybeans, and livestock; Supports ancillary businesses such as grain elevators, equipment dealers, and farm supply
- **Public Services & Healthcare:** Fulton County Health Center, Wauseon Exempted Village Schools, Government offices supporting employment and service delivery
- **Retail & Small Business:** Local shops, restaurants, and service providers support the economy and residents
- **Utilities & Services:** Modern water, sewer, and broadband infrastructure support business development
- **Fulton County Fairgrounds:** Hosts one of Ohio's largest county fairs, drawing regional visitors annually
- **Wauseon Depot:** Historic train station and museum, symbol of early city development
- **Biddle Park & Reighard Park:** Venues for recreation, sports leagues, and community events
- **Downtown Wauseon:** Offers unique local businesses and seasonal festivals
- **Education:** Served by a well-rated public school district; nearby community colleges and trade schools enhance workforce development
