

INSTRUCTIONS -
NEW JERSEY REALTORS®
SELLER'S PROPERTY CONDITION DISCLOSURE STATEMENT

©2018 New Jersey REALTORS®

1 Effective August 1, 2024, the New Jersey Real Estate Consumer Protection Enhancement Act, P.L.2024.c32, requires sellers
2 of residential property located in New Jersey to complete and sign a property condition disclosure statement as promulgated
3 by the New Jersey Division of Consumer Affairs pursuant to N.J.A.C. 13:45A-29.1. This requires all sellers of residential
4 real estate to provide the property condition disclosure statement to a prospective buyer before the prospective buyer
5 becomes obligated under any contract for the purchase of the property.
6

7 Additionally, the New Jersey Law of Flood Risk Notification, P.L.2023.c93, requires sellers of all real property located in
8 New Jersey to make certain supplemental disclosures concerning flood risks on the "Flood Risk Addendum" incorporated
9 within the property condition disclosure statement. As a result of these two laws:
10

- 11 • All sellers of **residential property** must complete Questions 1-108 on the property condition disclosure statement; and
- 12 • All sellers of **residential and non-residential (i.e. commercial)**, must complete the Flood Risk Addendum,
13 Questions 109-117, on the property condition disclosure statement.
14

15 Moreover, regarding the property condition disclosure statement, the New Jersey Division of Consumer Affairs has provided
16 the following instructions:
17

18 *The purpose of the Property Condition Disclosure Statement ("Disclosure Statement"), including the Flood Risk Addendum, is to disclose
19 the condition of the property, as of the date set forth on the Disclosure Statement or Flood Risk Addendum. The seller is under an
20 obligation to disclose any known material defects in the property even if not addressed in this printed form. The seller alone is the source
21 of all information contained in this form. All prospective buyers of the property are cautioned to carefully inspect the property and to
22 carefully inspect the surrounding area for any off-site conditions that may adversely affect the property. Moreover, this Disclosure
23 Statement is not intended to be a substitute for prospective buyer's hiring of qualified experts to inspect the property.*
24

25 *If a property consists of multiple units, systems and/or features, please provide complete answers on all such units, systems and/or
26 features even if the question is phrased in the singular, such as if a duplex has multiple furnaces, water heaters, and fireplaces.*
27

28 *Pursuant to P.L. 2024, c.32, completion of questions 1 through 108 is mandatory for all sellers of residential real property in the State.
29 Sellers of residential real property must answer these questions before the purchaser becomes obligated under any contract for the
30 purchase of the property. Questions 1 through 108 must be answered to the best of the seller's knowledge, unless otherwise stated.*
31

32 *Pursuant to N.J.S.A. 56:8-19.2, completion of the "Flood Risk Addendum" questions 109 through 117 of the Disclosure Statement, is mandatory
33 for all sellers of real property (including both residential and non-residential property). Sellers of real property must answer these questions
34 before the purchaser becomes obligated under any contract for the purchase of the property. This is the case regardless of whether a seller
35 completes questions 1-108 of the Disclosure Statement. Sellers must verify their answers to questions 109 and 110, and may do so using the Flood
36 Risk Notification Tool located at flooddisclosure.nj.gov. Questions 111 through 117 must be answered based on the seller's actual knowledge.*
37

38 *A seller must execute a separate acknowledgement for each portion of the Disclosure Statement that the seller completes. If a seller
39 does not answer questions 1 through 108, no acknowledgement is required for that portion. However, the mandatory Flood Risk
40 Addendum must still be completed and acknowledged in all cases.*
41

42 Lastly, **New Jersey REALTORS® Seller's Property Condition Disclosure Statement**, Form #140, includes an Addendum
43 Regarding Statutory Disclosures & Other Items, Questions 118-136a, to be answered to the best of seller's knowledge as
44 required by law.

NEW JERSEY REALTORS®
SELLER'S PROPERTY CONDITION DISCLOSURE STATEMENT
ADDENDUM REGARDING FLOOD RISK

©2018 New Jersey REALTORS®

471 Pursuant to N.J.S.A. 56:8-19.2, all Sellers of real property (including both residential and non-residential property) must complete
472 questions 109-117 below.

473
474 Sellers of real property must answer these questions before the purchaser becomes obligated under any contract for the purchase of the
475 Property. This is the case regardless of whether the Seller completes questions 1-108. Sellers must verify their answers to questions 109-
476 110, and may do so using the Flood Risk Notification Tool located at njreal.to/flood-disclosure. Questions 111-117 must be answered
477 based on the Seller's actual knowledge.

478
479 Flood risks in New Jersey are growing due to the effects of climate change. Coastal and inland areas may experience significant flooding
480 now and in the near future, including in places that were not previously known to flood. For example, by 2050, it is likely that sea-level
481 rise will meet or exceed 2.1 feet above 2000 levels, placing over 40,000 New Jersey properties at risk of permanent coastal flooding.
482 In addition, precipitation intensity in New Jersey is increasing at levels significantly above historic trends, placing inland properties at
483 greater risk of flash flooding. These and other coastal and inland flood risks are expected to increase within the life of a typical mortgage
484 originated in or after 2020.

485
486 To learn more about these impacts, including the flood risk to your Property, visit njreal.to/flood-disclosure. To learn more about how to
487 prepare for a flood emergency, visit njreal.to/flood-planning.

490 [] [X]
491
492 [] [X]
493
494 [] [X] []
495 109. Is any or all of the Property located wholly or partially in the Special Flood Hazard Area ("100-
496 year floodplain") according to FEMA's current flood insurance rate maps for your area?
497
498 110. Is any or all of the Property located wholly or partially in a Moderate Risk Flood Hazard Area
499 ("500-year floodplain") according to FEMA's current flood insurance rate maps for your area?
500
501 111. Is the Property subject to any requirement under federal law to obtain and maintain flood
502 insurance on the Property?
503 Properties in the special flood hazard area, also known as high risk flood zones, on FEMA's flood insurance rate
504 maps with mortgages from federally regulated or insured lenders are required to obtain and maintain flood insurance.
505 Even when not required, FEMA encourages property owners in high risk, moderate risk, and low risk flood zones
506 to purchase flood insurance that covers the structure and the personal property within the structure. Also note that
507 properties in coastal and riverine areas may be subject to increased risk of flooding over time due to projected sea level
508 rise and increased extreme storms caused by climate change which may not be reflected in current flood insurance rate
509 maps.
510 [] [X] []
511 112. Have you ever received assistance, or are you aware of any previous owners receiving assistance,
512 from FEMA, the U.S. Small Business Administration, or any other federal disaster flood assistance
513 for flood damage to the Property?
514 For properties that have received federal disaster assistance, the requirement to obtain flood insurance passes down
515 to all future owners. Failure to obtain and maintain flood insurance can result in an individual being ineligible for
516 future assistance.
517 [] [X] []
518 113. Is there flood insurance on the Property?
519 A standard homeowner's insurance policy typically does not cover flood damage. You are encouraged to examine your
520 policy to determine whether you are covered.
521 [] [X] []
522 114. Is there a FEMA elevation certificate available for the Property? If so, the elevation certificate
523 must be shared with the buyer.
524 An elevation certificate is a FEMA form, completed by a licensed surveyor or engineer. The form provides critical
525 information about the flood risk of the Property and is used by flood insurance providers under the National Flood
Insurance Program to help determine the appropriate flood insurance rating for the Property. A buyer may be able to
use the elevation certificate from a previous owner for their flood insurance policy.
[] [X] []
115. Have you ever filed a claim for flood damage to the Property with any insurance provider,
including the National Flood Insurance Program?
If the claim was approved, what was the amount received? \$
[] [X] []
116. Has the Property experienced any flood damage, water seepage, or pooled water due to a natural
flood event, such as heavy rainfall, coastal storm surge, tidal inundation, or river overflow?
If so, how many times?

117. Explain any "yes" answers that you give in this section: _____
