

VIRTUAL OFFICE

**MINIMAL EXPENSE.
MAXIMUM SUPPORT.**

WHAT IT IS:

A monthly membership plan of your choice delivering professional support and wifi-enabled workspace. Members enjoy the freedom to increase their plan after sign-up, decrease their plan after 90 days and cancel any time.

OFFICE HUB PLANS

No matter where you or your business is headquartered within the US, these plans establish a functional local office staffed by real people who are familiar with your business and provide a commercial mailing address, mail handling & forwarding, and up to 16 hours per month to accommodate meetings or office visits as needed.

HOT-DESK PLANS

Like a gym membership for your business, these plans provide business-hour access to our facility, its equipment and any available private office or workspace for a set number of monthly hours based on your plan level. If you run out of hours before the end of the month, each additional hour is offered at a Hot-Desk Member discount.
