Customer Service at Federal Business Centers

Our entire workforce is on-site, and our Rapid Response Service Team is on call 24 hours a day, 7 days a week. We're here for you. Whenever you call, we'll be right over.

Our team of service professionals—electricians, plumbers, and HVAC technicians, to name a few—are here to take care of your premises so that you can focus on running your business.

We care, and we deliver.

Raritan Center® is one of the most widely selected business parks in New Jersey. It's home to hundreds of companies—Fortune 500 companies, Global 500 companies, and market leaders from every business sector.

As a master-planned, mixed-use business park, Raritan Center® encompasses over 2,350 acres of land and almost 15 million square feet of business space, including office space, flex space, and warehouse/distribution space.

Federal Business Centers is a fourth generation family business started by Frank Visceglia in 1938. We've been serving customers in Raritan Center® since 1965.

Exceptional service is our passion, and our greatest reward is our relationship with each of our customers, some of which have been here with us for decades. As one of our colleagues likes to say, "Our business is really people, people, people."
