PANTRY

The pantry is not tucked away in a corner but celebrated in the main space as being a hub of activity.

The walls are low creating a continuous visual connection throughout the whole space.

Interesting detailing and use of materials adds to a crafted feeling.

CONFERENCE ROOM

- Glass partition allows the room feel a part of the main space but the special materials and lighting used on the wall and ceilings elevate this room as a unique moment.
- Impactful thresholds with a sculptural quality
