FOR SALE Mixed-Use Commercial Property Downtown New Richmond

Step into timeless charm and modern utility with this well-maintained, two-story mixed-use property located just one block east of South Knowles Avenue—the heart of New Richmond’s downtown business district. Built in the early 1900s and thoughtfully updated over the years, this 2,024 SF building offers flexible space ideal for professional services, boutique retail, or live-work configurations.

The ground level features a welcoming commercial suite currently occupied by Edward Jones, showcasing original pocket doors, wide trim, and ADA-compliant upgrades including a ramp and restroom. The second level includes one office and a one-bedroom, one-bath apartment, with shared access to the living room and restroom—perfect for continued mixed-use or full office conversion. There are two apartment units on the 2nd level and the main floor could also be leased as a rental unit.

Recent improvements include a composite-covered front porch with updated railings, and interior enhancements that preserve the building’s character while supporting modern functionality.
