Findlay Parkside is the mixed-income LEED Silver \$28 Million redevelopment of 12 vacant historic buildings in Over-the-Rhine. The Model Group (TMG) is partnering with 3CDC and the Corporation for Findlay Market (CFFM) to continue this district's rebirth, bringing new vitality to the historic district around the Market and on Vine Street around Findlay Park.

PROJECT DETAILS

→ THE NEXT PHASE OF FINDLAY MARKET

The project will create 15,100 square feet of commercial space and programming to support and grow small, local and minority entrepreneurs, leading to business, employment and wealth creation opportunities. This development is being planned and executed in coordination with other City investments such as the structured parking for TQL Stadium, the Streetcar, and the Findlay Park Redevelopment.
