		has inspected this sewage dispo		

permit is issued subject to all the provisions of the North Carolina Laws and Rules for Sewage Treatment and Disposal. No person is permitted to make alterations to this system without the approval of an authorized Environmental Health Specialist. This approval indicates that this system has been installed in compliance with the standards as set forth in the above regulations, but shall in no way be taken as a guarantee that the system will function satisfactorily for any given period of time. The area designated as "repair area" is required for future use and must remain undisturbed. 155
