EOLA FOOD HALL

OVERVIEW

Eola Food Hall will **elevate the liveliness and charm** of the local area, introducing a modern amenity to the Downtown area where the surrounding **communities can collaborate and gather.**

The project will include a two-story, 15,000-square-foot food hall featuring a bar and a speakeasy. Curated with the "best of" local eats, Eola Food Hall will spotlight the culinary diversity of the area and serve as a platform for local chefs and entrepreneurs to interact with patrons, presenting a blend of innovative creations and traditional favorites. The project will promote involvement from local businesses and artisans, offering consumers the chance to embrace the essence and distinctiveness of the Downtown Orlando community.

Eola Food Hall has the added amenity of being connected to the **Eola View** event space upstairs. Eola View is an exquisite canvas and the perfect place for weddings, social gatherings, corporate events, and more. Our project sets the stage for unforgettable moments with unique spaces and breathtaking views.

EOLA FOOD HALL

RENDERING

LOCAL AREA

LOCATION

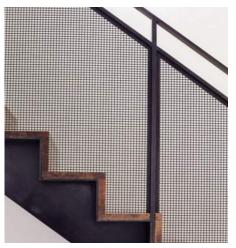

Since its establishment in 1888, Lake Eola
Park has served as an iconic symbol for the
City of Orlando. Eola Food Hall is just across the
street from Lake Eola with breathtaking views of
the lake and surrounding areas. Our prime location
is just steps away from the planned expansion of
Lake Eola Park.
