2920 Outlook Road - Lot 2

Sunnyside, Washington 98944 | MLS 285955

Property Overview

This property offers an excellent opportunity for a Planned Unit Development (PUD), with city officials eager to support the project. Located in Sunnyside—between Tri-Cities and Yakima, in the heart of Washington wine country—the area is surrounded by agricultural producers and is experiencing steady growth as Tri-Cities expands westward.

The site features two strong wells, graded land ready for construction, and is priced just under \$1.10 per sq ft—an exceptional value. Zoning and infrastructure make this ideal for housing or mixed-use projects. With growing demand in the region, this opportunity won't last long.

The adjacent lot is under contract pending feasibility for a 350–400 unit residential development.
