The Downtown Long Beach Business District provides one of the city's most revered attractions, The Queen Mary, as well as tourist-driven destinations including The Aquarium of the Pacific, Shoreline Village, Rainbow Harbor Waterfront and The Pike, making up the Long Beach Convention and Entertainment Center.

Other local popular retail spots include Belmont Shore's 2nd Street, 4th Street Retro Row and the East Village Arts District.

Downtown Long Beach is undergoing a major urban revitalization with private and public investment creating significant growth with over \$3.5 billion in new investment including over 1,700 residential units recently completed or under construction and an additional 2,300 residential units approved for construction or in the review process.
