Lee's Summit is 16 miles southeast of downtown Kansas City, and is one of the fastest growing communities in the state with a current population of over 102,781. Median Household Income is \$98,960. At 65 square miles – the fifth largest in the state – the city has room to grow with recently annexed properties in strategic highway served locations. Served by two interstates (I-470 and I-70) and two federal highways (U.S. 50 and U. S. 71) Lee's Summit is accessible to regional and national markets.

However, Lee's Summit is not just a spot on a map. It has a genuine appreciation and respect for all people and things that are real and true. It's not only Lee's Summit residents who know they live in a great community. In 2010, Money magazine cited, "Lee's Summit is among the Best Places to Live." Lee Summit is also renowned for their state and national award winning schools and community college, as well as comprehensive parks, lakes and recreation amenities, diverse housing choices, attention to and preservation of their history and pedestrian-friendly downtown.

KANSAS CITY OVERVIEW

KCI NEW TERMINAL

Kansas City's new single terminal airport opened February 2023. The new terminal features updated technology and amenities, close parking, spacious gate areas, and ample food and beverage options. At over one million square feet and a budget of \$1.5 billion, the Kansas City Airport is the largest single infrastructure project in the City's history. The new terminal has 40 gates and the ability to expand to 50 in the future, the project also includes a 6,300-space parking structure.

KANSAS CITY STREETCAR

The current Ride KC Streetcar was a \$102 million investment in Kansas City's transportation and infrastructure completed in 2016. Running from the River Market on the north end to Union Station and Crown Center on the south, The Streetcar connects all the downtown neighborhoods with 16 platform stops and 2 miles of track. 98% of business on route have indicated a positive impact on business, and there has been a 40% increase in residential density within 3 blocks of the route.

KANSAS CITY STREETCAR EXTENSION

On January 8th, 2021, the Federal Transit Administration (FTA) and the City of Kansas City, MO., Officially signed the Full Federal Funding Agreement for the KC Streetcar Main St Extension. The funding will cover \$174 million of the proposed \$351 million project. The extension will expand the route 3.5 miles north-south and add 8 stops, extending north to the Missouri River and south the Country Club Plaza, and the University of Missouri – Kansas City. The KC Streetcar has created a more vibrant, urban culture and has succeeded in attracting new jobs and residents to the area.

KANSAS CITY OVERVIEW

ENTERTAINMENT & TOURISM

Among a healthy business environment Kansas City offers residents and tourists a wide variety of things to do unique to Kansas City, including attending a Royals, Sporting KC, or Chiefs game, entertainment and shopping at the Power and Light District and Country Club Plaza, and cultural experiences at the Nelson Atkins Art Museum and 18th and Vine Jazz District. Kansas City was ranked the #1 Favorite City for BBQ by Travel & Leisure. In 2015 the Kansas City Royals won the World Series, and the Kansas City Chiefs won Super Bowl LIV and Super Bowl LVII. Kansas City Current women's soccer team began construction on a \$115 million 11,500-seat stadium in Downtown's Berkley Riverfront. With expected delivery in early 2024, the stadium will be the first professional women's soccer stadium in the country.

2026 FIFA WORLD CUP

Kansas City is among 16 cities in North America to host the 2026 FIFA World Cup. The event will be the biggest sports event ever in the Kansas City area. KANSAS CITY BIG WINS

PANASONIC EV BATTERY PLANT

Panasonic has selected De Soto, Kansas for the site of its \$4 billion EV battery plant. The 3 million-square-foot manufacturing plant in De Soto will be tucked inside a 500-acre parcel at the former Sunflower Army Ammunition Plant, along Kansas 10 in Johnson County. There is space at the parcel to enable Panasonic to expand production operations. Panasonic formally broke ground in 2022 with the first positions set to open in 2023 and mass production set to begin in 2025. The plant is set to manufacture lithium-ion 2170 batteries for Tesla, as well as expand into batteries for various customers. More than 4,000 people will be employed at the Panasonic plant and the project is estimated to deliver \$2.5 billion in annual economic benefit to Kansas City Region.

The Kansas City region is the third fastest-growing tech market in the United States and is a nucleus of engineering, technology and automotive manufacturing expertise. With a strong talent pipeline and cutting-edge training programs, the Kansas City market employs nearly 21,000 workers who contribute to the area's \$19 billion transportation and manufacturing industry.

META HYPERSCALE DATA CENTER

Facebook's parent company Meta Platforms, Inc., is investing more than \$800 million in building a nearly 1-million square foot hyperscale data center on ±375 acres at Golden Plains Technology Park in northern Kansas City. The facility is currently under construction and is expected to open in 2024. The company announced its Kansas City location will become one of the world's most sustainable data centers, adding renewable energy to the region's local grid and achieving net-zero carbon emissions. Meta has acquired an additional 508 acres at the park, leaving potential for further investment.
