Fire Pit

Active Courtyard

From a break at the bocce court, to a friendly competition of ping pong, to an afternoon workout on the exercise lawn, expansive outdoor areas bring balance to the work day and foster employee engagement and healthy lifestyles.

Social Courtyard

A generous outdoor courtyard with flexible seating and Wi-Fi provides an opportunity to clear the mind, collaborate in the fresh air, or connect with colleagues after work around an inviting fire pit.

Indoor/Outdoor Fitness Center

Stay energized in a fully equipped modern fitness center. Operable glass walls open onto an outdoor active courtyard to bring in light and fresh air for a workout experience unique to the Salt Lake City office market. Full men's and women's locker rooms include showers and changing areas.

An Engaging Lobby Experience

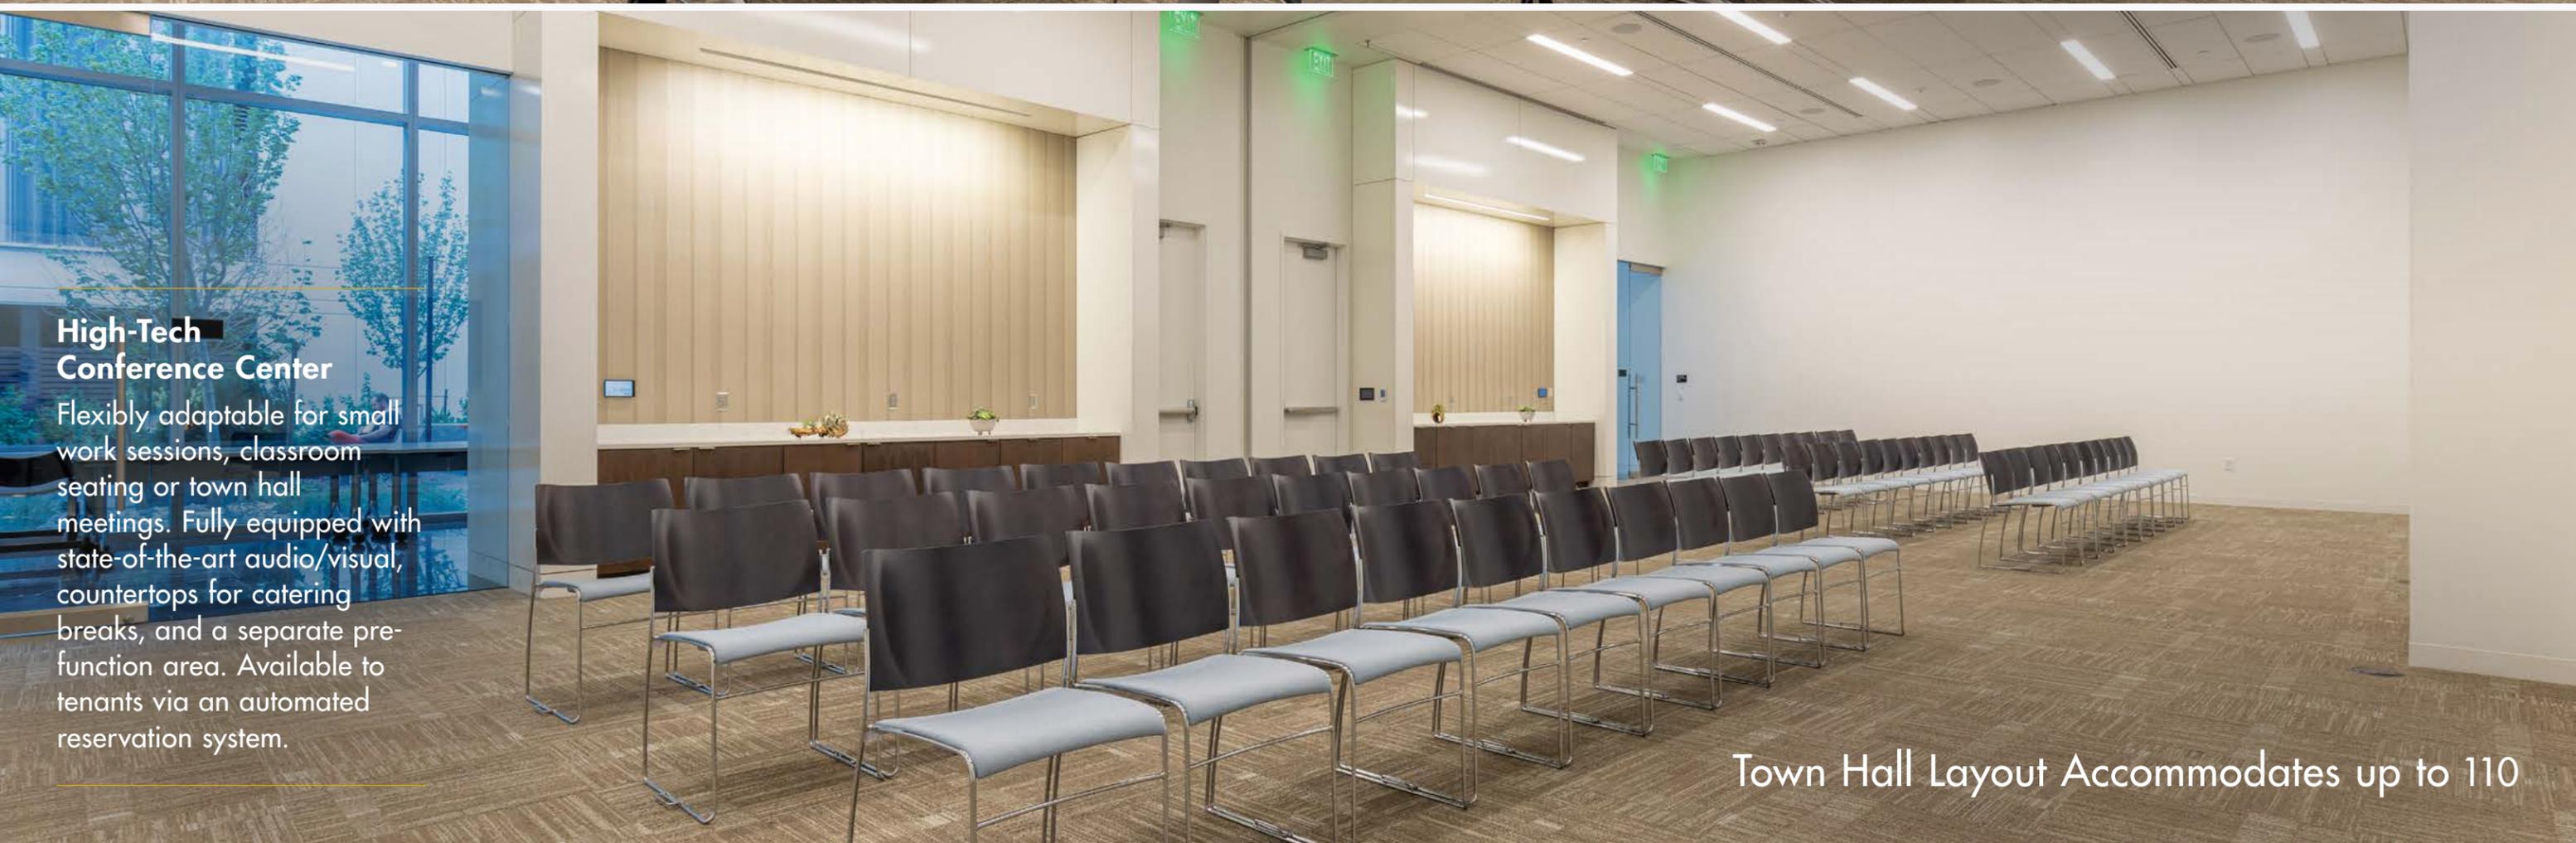

A modern and inviting main lobby welcomes tenants and visitors with hospitality in mind offering a variety of seating options and common work spaces perfect for impromptu meetings or a short break.

Front Desk Security

With a 24-hour security concierge located in the main lobby, and an integrated building access control system, tenants can enjoy convenience and peace of mind in the workplace.

Classroom Layout Seats up to 60

**High-Tech
Conference Center**

Flexibly adaptable for small work sessions, classroom seating or town hall meetings. Fully equipped with state-of-the-art audio/visual, countertops for catering breaks, and a separate pre-function area. Available to tenants via an automated reservation system.

Town Hall Layout Accommodates up to 110

Why Utah?

Year after year, Utah ranks among the top U.S. states for business and careers, personal income growth, family prosperity and quality of life. The key to this success is a winning combination of business-friendly policies, affordability and unequalled lifestyle amenities.

Unparalleled Access

Mass Transit

Located at one of the most accessible nodes downtown, 650 Main is adjacent to light rail access at the new 650 Main TRAX station. Such convenient light rail access provides reliable connections for commuters, as well as easy access to the Intermodal Hub and Frontrunner commuter rail.

Easy Freeway Access

Multiple freeway access points to the North and South at 500 South, 600 South and 900 South. Salt Lake City International Airport is only 10 minutes away by car.

Bike Storage

Tenants who cycle to the office have access to secure bike storage, with work station and air pump, located within the building's parking garage.

Two Garage Entries

Tenants and visitors can enter the secure parking garage via Main Street or 600 South. The expansive 9-story garage offers touchless entry and exit points, and includes 980 spaces for a parking ratio of 3 per 1,000 rentable square feet.

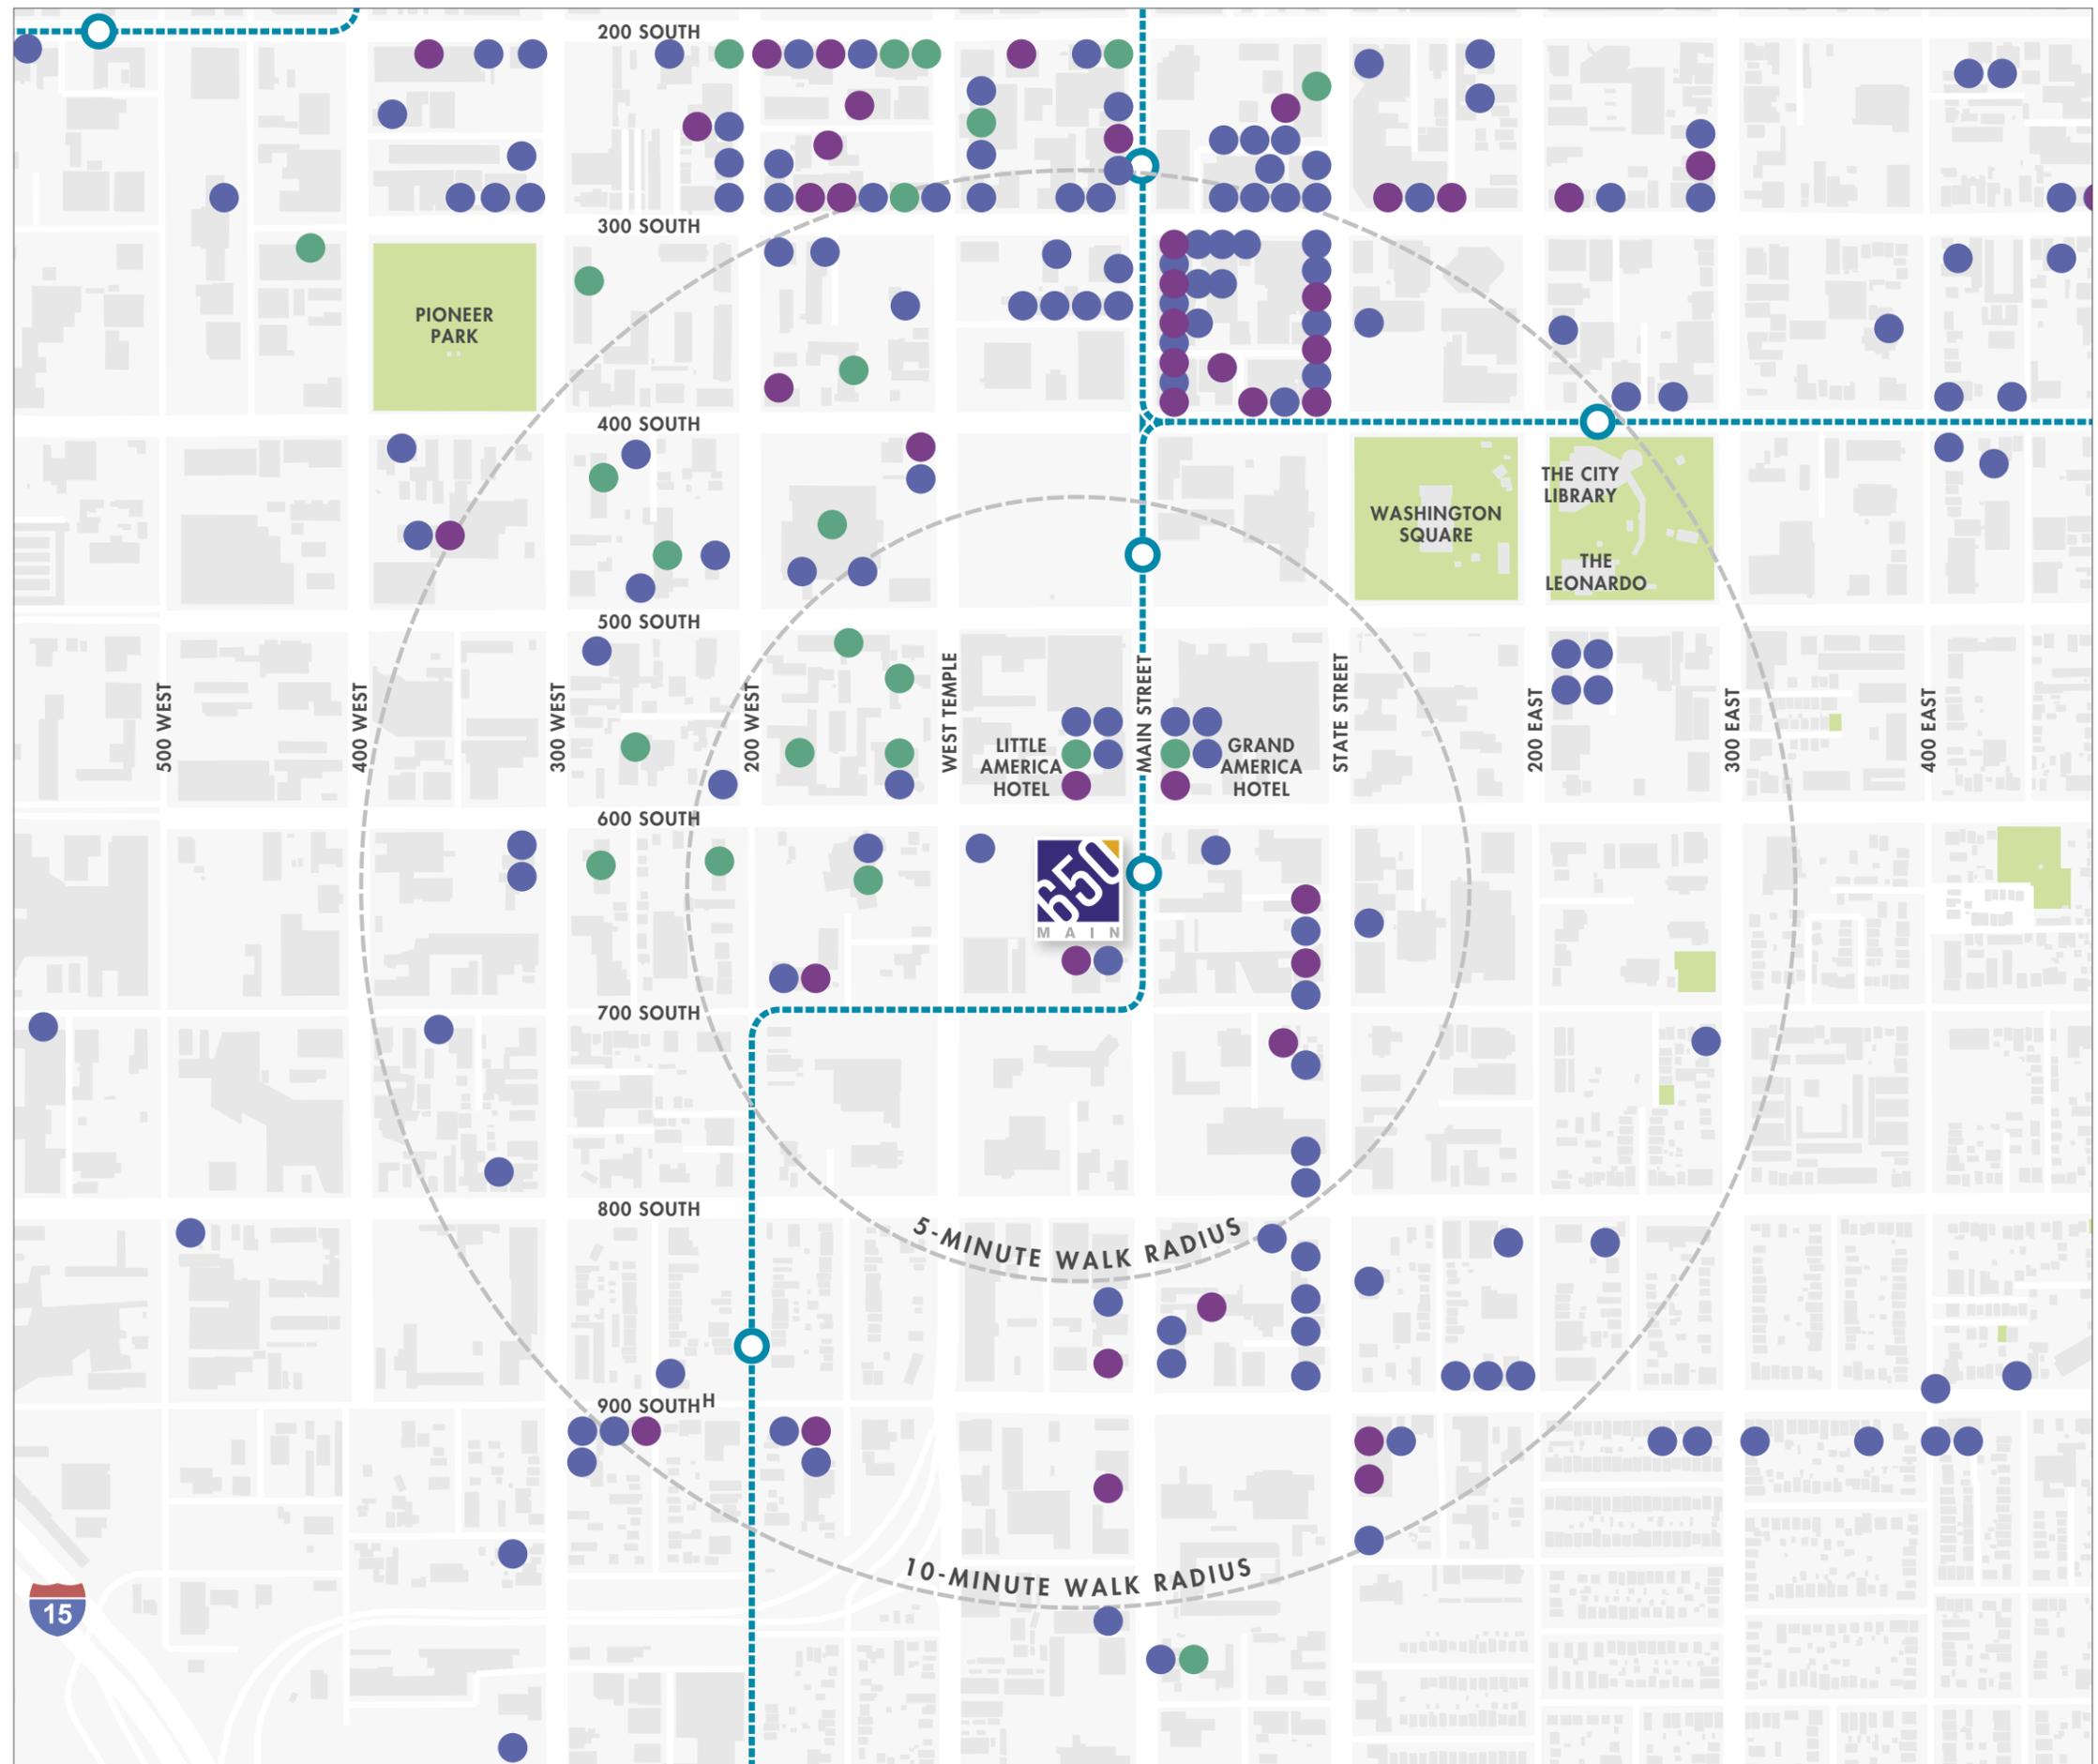

Far from Ordinary, Close to Everything

Whether it is the morning commute, a business lunch, or an evening out, 650 Main's location provides a world of convenient options for employees and visitors within a 10-minute walk.
