

MILLYARD TECHNOLOGY PARK

THE COMPANIES WHO COME HERE
know what they're looking for and how rare
it is to find. It's a unique combination.

**ESTABLISH YOUR BUSINESS
in the Millyard Technology Park!**

A CONVENIENT IN-TOWN LOCATION
that feels like you're in the country... with state-of-the-art amenities... complete on premises services... and space that makes it easy to configure for your business needs.

- 1 hour from Logan Airport, 20 minutes from Manchester Airport
- Safe and ample free parking
- On site maintenance and electrician
- On site management and business office
- On site cafeteria and dining area
- 24/7 access via coded key card
- Showers on premises

The Park is just minutes from downtown Nashua, NH and major highways and airports; yet only steps from nature trails and our own boat launch on the Nashua River. With over 150,000 sq. ft. of prime office space on 16 acres, Millyard Technology Park offers the space, charm and character of one of New England's most successful mill restorations, plus the flexibility, comfort and efficiency of a contemporary facility. It's what you're looking for in an office space.

Millyard Technology Park is a community of companies large and small, established and start-up just like yours doing business in tax-free New Hampshire... who want to focus without distraction, on making their business grow.

10 Technology Way Nashua, NH 03060
