2,966 SF (3 Units) Office Space

## 8 Magnolia Ave

Asheville, North Carolina 28801

### **Property Highlights**

- · Prime location in the Montford neighborhood
- Close proximity to downtown Asheville, I-26, and 240
- · Ample parking onsite

#### **Property Overview**

Located in the Neighborhood Conservation District of Montford, 8 Magnolia Ave offers 3 independent ground floor offices for lease. Each unit has a unique layout with beautifully exposed brick walls and large windows that provide natural light. This site also offers ample outdoor space for team meetings along the Reed Creek Greenway. A common entrance in the rear of the building leads to a shared hallway with kitchen access and two bathrooms. Situated on the corner of Magnolia Ave and Broadway St., the property is less than a mile from downtown Asheville with easy access to Merrimon Ave, I-26, and Highway 240.

Direct: 864.993.1194

NC #356832

#### Professional Background

Ted Sullivan brings a distinct background to the table when helping his clients navigate complex commercial real estate transactions. Ted's more than 16 years of banking and lending experience, spanning from Charleston to Asheville, lend him unique insights into all the variables that go into underwriting, appraising, valuing, and funding a wide range of commercial real estate.

In recent years, Ted has decided to apply his unique background through a career in commercial real estate brokerage at NAI Beverly-Hanks, as a member of the Mansfield Commercial Real Estate team. While Ted is capable in all types of commercial real estate transactions, he primarily focuses his commercial real estate efforts in the specialties of retail, downtown mixed-use properties, strip malls, and related property types.

Ted is a natural born networker who consistently maintains a pulse on the market. Ted can quickly connect prospective buyers and sellers with bankers and a variety of consultants and service providers necessary to a transaction. A key component of his success has been the ability to build lasting relationships. Ted currently serves as Treasurer of the Asheville Downtown Association and is an active member of Asheville Business Leaders Association. These positions aid him in his brokerage specialty, and further help him maintain a dynamic understanding of market trends.

When Ted isn't hard at work on behalf of his clients, he enjoys taking advantage of living in the beautiful mountains of WNC. He and his family love to hike, camp, and explore the smaller mountain towns along the way. His other hobbies include playing mediocre golf, skiing, checking out shows in Asheville's thriving music scene, and supporting the University of South Carolina Gamecocks athletics.

#### Professional Background

Christopher Mansfield brings to the table his award-winning background in architectural design and development to every commercial brokerage transaction he participates in. He completed his Bachelor's degree in Architectural Technology at Alfred State College, and later pursued and received an accredited Masters of Architecture degree at The University of Massachusetts, Amherst. During his time in Massachusetts, he was awarded a joint AIA / WMAIA scholarship for his award-winning infill development design. Upon graduation, he was also awarded the AIA Henry Adams Certificate of Merit for excellence in the study of architecture.

Prior to embarking on his commercial brokerage career, Christopher actively practiced as a licensed architect in a real estate development setting, with a heavy focus on commercial projects. This experience in architect-driven development allowed him to master high level real estate skills in detailed proforma development, site analysis, zoning analysis, property acquisitions, entitlements, architectural site plan development, bidding and negotiating, and state of the art project presentation and marketing. During his time in practice, Christopher served his community as architectural review consultant for the City of Poughkeepsie Planning Board. In 2019 he was a recipient of the prestigious Dutchess County Chamber of Commerce - 40 under 40 Movers and Shakers award.

In more recent years, Christopher has actively applied his invaluable architecture and development background in daily practice as a distinguished, professionally trained, commercial broker. He has worked with numerous clients, in a variety of capacities, on a wide array of asset types including land development, industrial, multi family, retail, and office use. He has also invested in and holds commercial real estate personally, serving as managing member of his mixed use commercial portfolio. Christopher believes personal commercial real estate ownership gives him the distinguished ability to deeply understand the unique challenges both property owners and tenants face both during, and long after, a transaction is completed. His experience both personally and professionally allows him to intelligentlynavigate the challenges and drive every transaction towards long term success.

In his spare time Christopher currently exercises his design and development skills doing social change development projects internationally. He currently sits on the Board of Directors of the Honduras Hope Mission non-profit, and led the site selection, design, and development of the mission's new community center, which completed construction in 2022. The community centers design has been showcased by the AIA It takes Community, 2017, Greenbuild 2017, and the United Nations Habitat III. When he's not working, Christopher enjoys spending time with his wife, playing frisbee with his Sheepdog Pancho, and riding his motorcycle through the mountains.
