

**General Notes**

Structural Integrity Design is a residential design service not a registered architectural firm. The purchaser of this set of plans should consult a building professional prior to construction. The purchaser and builder of this plan releases Structural Integrity Design from any liability and/or claims that may arise during construction or anytime thereafter. Therefore, the builder must carefully inspect all aspects of these drawings, including but not limited to dimensions, details, accuracy and overall integrity, and assumes all responsibility. This plan may need to be modified to comply with local and/or governing codes.
